STATE BAR CERTIFICATION REQUEST FORM

The Office of the Law School Registrar will certify current or past enrollment and degree verification for State Bar certifications. The office cannot certify enrollment for future terms (even for the current academic year). Please attached the third party form(s) to this request and complete the information below. If you do not attach a form to this request, we will use a standard certification letter to certify your enrollment and/or degree verification request.

Enrollment certifications and degree verifications for requests other than State Bar requests must be made through Axxess. See reverse side of this form for instructions.
