

2021 RENTAL GUIDE

Stanford Rental Communities

AVAILABLE FOR RENT TO ELIGIBLE FACULTY AND STAFF

Having a difficult time finding housing?

We understand that the stress of figuring out the housing puzzle can be a daunting task in your Stanford journey. Faculty Staff Housing is here to assist in solving this particular piece of that puzzle. Our department offers personalized rental consultations to all eligible Stanford affiliates so that we can find the best rental program and moving solutions for you. Our support continues throughout your Stanford journey as we will remain a resource for you before, during, and long after your move-in!

To book a consultation with our rentals team, please contact us at fshrentals@stanford.edu.

Testimonials

Stanford Rental Communities

"I lived at Colonnade Apartments while some work was being done on my home, and I really enjoyed my time there. The place was immaculate, and there was a built-in camaraderie since we were all affiliated with Stanford."

Valerie Beeman

***Sr. Director, Employee Experience Communications
University Human Resources | HR Communications***

"My time here has been great. I have great neighbors that have become friends. Colonnade is close to a lot of good food options and things to do in a quiet part of town. The management has been accommodating and kind."

Alexander Vezeridis

Assistant Professor of Radiology

"I have lived at Stanford West Apartments for 3 years. I have had an incredibly positive experience living here. There is a wonderful sense of community and the buildings/facilities are maintained extremely well."

Tanya Gupta

Hematology/Oncology Fellow

"I have lived at Welch Road Apartments for 3 years. Overall my experience has been great. The staff and managers are friendly and responsive in a timely manner. Maintenance of the property is kept neat and esthetic pleasing."

Vania Singleterry

Pediatric Resident

"I have lived at Peter Coutts for 2 years. The apartment is affordable and I like the layout a lot. Peter Coutts is a wonderful community. It's great how people help each other out via the Peter Coutts Mailing List."

Tobias Gerstenberg

Assistant Professor of Psychology
