

FALL 2025 JD APPLICATION FEE WAIVER INSTRUCTIONS

Please provide us with a copy of your award notice or notification letter from your Financial Aid Office. **This is required of all current students and those who graduated in 2024.** The award notice or letter should include your current budget, a breakdown of your expected resources, and a list of scholarships and loans you are receiving. If you have also received a fee waiver from the Law School Admissions Council (LSAC), please send in documentation of that decision.

If you choose to apply for an application fee waiver, please do not submit a credit card payment at the time you apply electronically to Stanford Law School. **Submitting a credit card payment will result in an automatic withdrawal of your application fee waiver request.**

You must submit your application fee waiver request prior to submitting your Stanford Law application. Please allow **5-7 business days** of receipt of your request for our review process. Please allow sufficient time for our office to process your application fee waiver request so that you adhere to the application deadline. If you are granted an application fee waiver, our office will provide you with an application fee waiver code to use during the application process.

The completed application fee waiver form and appropriate documents should be returned to Stanford Law School by e-mail at admissions@law.stanford.edu. Please feel free to contact the Office of Admissions at admissions@law.stanford.edu or 650-723-4985 with any questions.
